

Agapanthus Queen Mum™

LARGE PLANT SIZE * BIG UMBELS * BICOLORED FLOWERS

Agapanthus orientalis 'PMN06' Queen Mum™ PP24,651

General: A large Agapanthus with broad strappy leaves and huge umbels that sit high above the plant, each with upwards of 150 violet and white bicolored flowers.

Form & Habit:

- Large evergreen perennial that can reach 3' H (5' in flower) x 3' W (+/-); dense foliage with an upright to arched habit.
- Zones 8 to 11 for landscape applications

Leaf & Bloom:

- Broad strap-like foliage; medium green color
- Large umbels appearing in early to mid summer, each with close to 150 violet & white bicolor flowers; color is best in full sun

Notes:

- Plant in well-drained soils; full to filtered sun
- Drought tolerant but best with regular water
- Remove spent inflorescence and untidy foliage as desired, at any time of year
