

Brindabella Roses™

DENSELY-FOLIAGED * LARGE FRAGRANT FLOWERS * EXCELLENT DISEASE RESISTANCE

Rosa hybrid 'GRAnib' Crimson Knight™ PP26,364

General:

A tough shrub rose selected for superior garden performance and show stopping flowers: bushy upright growth habit, excellent disease resistance, with nearly black buds revealing fragrant, crimson-through-black flowers.

Form & Habit:

- 4-5' H x 4' W (+/-); Semi-upright to upright habit
- Freely branching and densely foliaged
- Zones 5 -11; very disease resistant, even in sub-tropical climates.

Leaf & Bloom:

- Large, mid-green leaflets; rounded; juvenile foliage with light anthocyanin suffusion.
- Nearly black buds open to reveal heavily petaled, high-centered, crimson-through-black flowers with a very strong traditional rose perfume

Notes:

- Plant in full to filtered sun
- Blooms best when provided regular water and fertilized in spring and fall
- Prune aggressively (to oldest wood) in late winter
