

Brindabella Roses™

DENSELY-FOLIAGED * LARGE FRAGRANT FLOWERS * EXCELLENT DISEASE RESISTANCE

Rosa hybrid 'GRAsalm Dawn™' PP28,056

General: A tough shrub rose selected for superior garden performance and show stopping flowers: semi-upright, bushy growth habit, excellent disease resistance and very fragrant, very doubled, salmon pink flowers.

Form & Habit:

- 4' H x 4' W (+/-); upright, densely-foliaged habit
- Freely branching and densely foliaged
- Zones 5 -11; very disease resistant, even in sub-tropical climates.

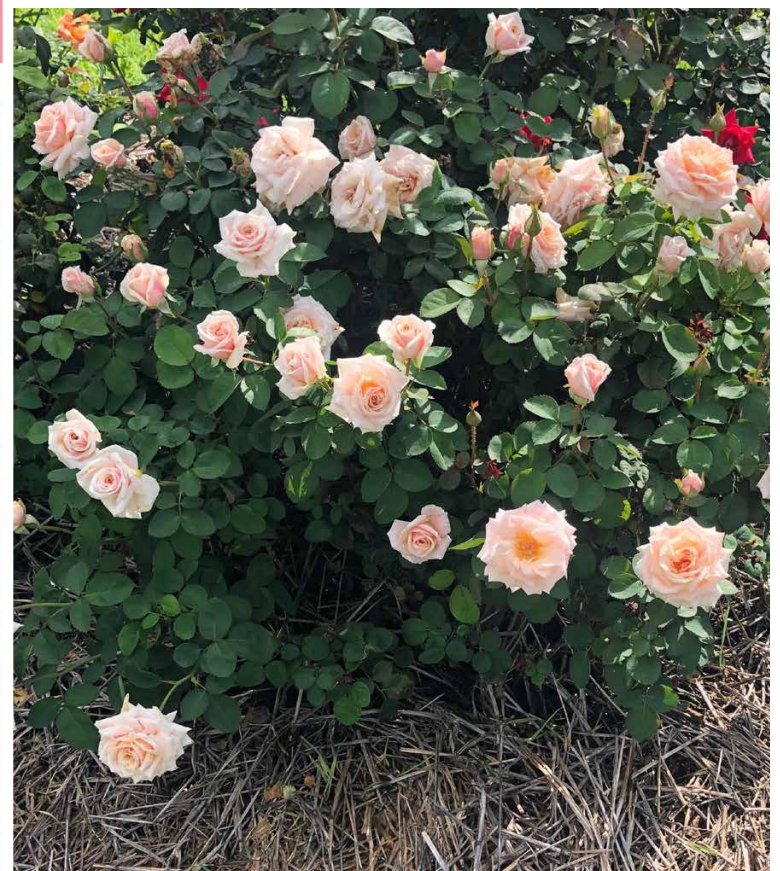

Leaf & Bloom:

- Large, mid to dark green leaflets; rounded; copper to auburn suffusion in the new growth
- Gorgeous old world blooms in salmon, with hints of apricot as the heat of summer arrives, and powerful true rose perfume.

Notes:

- Plant in full to filtered sun
- Blooms best when provided regular water and fertilized in spring and fall
- Prune aggressively (to oldest wood) in late winter
