

Brindabella Roses

DENSELY-FOLIAGED * LARGE FRAGRANT FLOWERS * EXCELLENT DISEASE RESISTANCE

Rosa hybrid 'GRAdkpk' First Lady™ PP28,332

General:

A tough shrub rose selected for superior garden performance and show stopping flowers: bushy growth habit, excellent disease resistance and fragrant, semi-double, lavender pink flowers.

Form & Habit:

- 4' H x 4' W (+/-); Semi-upright to mounded habit
- Freely branching and densely foliaged
- Zones 5 -11; very disease resistant, even in sub-tropical climates.

Leaf & Bloom:

- Large, mid-green leaflets; rounded; juvenile foliage nearly devoid of anthocyanin.
- Beautiful semi-doubled lavender pink flowers in that romantic old world style, coupled with wonderful traditional rose perfume.

Notes:

- Plant in full to filtered sun
- Blooms best when provided regular water and fertilized in spring and fall
- Prune aggressively (to oldest wood) in late winter
