

Brindabella Roses™

DENSELY-FOLIAGED * LARGE FRAGRANT FLOWERS * EXCELLENT DISEASE RESISTANCE

Rosa hybrid 'GRApp'l Purple Prince™ PP26,364

General: A tough shrub rose selected for superior garden performance and show stopping flowers: bushy upright growth habit, excellent disease resistance and very fragrant, high-centered, double, red-purple flowers.

Form & Habit:

- 4-5' H x 4' W (+/-); Semi-upright to upright habit
- Freely branching and densely foliaged
- Zones 5 -11; very disease resistant, even in sub-tropical climates.

Leaf & Bloom:

- Large, mid-green leaflets; rounded; juvenile foliage nearly devoid of anthocyanin.
- High-centered, doubled flowers that are dark red-purple with a very strong traditional rose perfume.

Notes:

- Plant in full to filtered sun
- Blooms best when provided regular water and fertilized in spring and fall
- Prune aggressively (to oldest wood) in late winter
