

# Brindabella Roses

DENSELY-FOLIAGED \* LARGE FRAGRANT FLOWERS \* EXCELLENT DISEASE RESISTANCE

Rosa hybrid 'GRAred' Empress™ PP28,215

## General:

A tough shrub rose selected for superior garden performance and show stopping flowers: bushy semi-upright to mounded growth habit, good disease resistance, with fragrant, red flowers that quickly fade to cerise pink.

## Form & Habit:

- 4' H x 4' W (+/-); Semi-upright to mounded habit
- Freely branching and densely foliaged
- Zones 5 -11; very disease resistant, even in sub-tropical climates.

## Leaf & Bloom:

- Large, mid-green leaflets; rounded; juvenile foliage with light anthocyanin suffusion.
- Red, doubled flowers that quickly fade to cerise pink; traditional rose perfume

## Notes:

- Plant in full to filtered sun
- Blooms best when provided regular water and fertilized in spring and fall
- Prune aggressively (to oldest wood) in late winter
