

Callistemon Icy Burst™

NARROW UPRIGHT HABIT * WHITE FLOWERS

Callistemon citrinus 'CNU01' Icy Burst™ PP34,739

General: Densely foliated Callistemon shrub with a columnar growth habit and white bottlebrush flowers in spring and summer.

Form & Habit:

- Small evergreen shrub that only grows to approximately 8' H x 4' W (+/-) after several years; dense foliage with a columnar form.
- USDA Zones 9 to 11

Leaf & Bloom:

- Simple lanceolate leaves arranged in whorls along branches; new growth with copper tones, maturing to dark emerald green
- Large white bottlebrush inflorescences

Notes:

- Plant in well-drained soils; full to filtered sun
- Drought tolerant once established
- Responds well to pruning
