

Callistemon Snow Burst™

VERY COMPACT HABIT * WHITE FLOWERS

Callistemon citrinus 'CNU07' Snow Burst™ PP34,797

General: Densely foliated and very compact Callistemon shrub with white bottlebrush flowers in spring and summer. A great choice for low hedges.

Form & Habit:

- Small evergreen shrub that only grows to approximately 4' H x 4' W (+/-) after several years; densely foliated, small globular shrub.
- USDA Zones 9 to 11

Leaf & Bloom:

- Simple lanceolate leaves arranged in whorls along branches; new growth with copper tones, maturing to dark emerald green
- Large white bottlebrush inflorescences

Notes:

- Plant in well-drained soils; full to filtered sun
- Drought tolerant once established
- Responds well to pruning
